ORDER

NELSON S. ROMÁN, United States District Judge:

On March 16, 2021, the Court issued an Opinion and Order granting Defendants' motion to dismiss *pro se* Plaintiff Paul Dantzig's complaint without prejudice and granting Plaintiff leave to file an amended complaint on or before April 30, 2021. (ECF No. 23.) Despite receiving service of Defendants' motion, Plaintiff did not file any opposition to Defendants' motion. (*See* ECF No. 19.) The Court indicated that "[i]f Plaintiff does not file an Amended Complaint by April 30, 2021, or move for an extension of this deadline, and he cannot show good cause to excuse such a failure, the claims dismissed without prejudice by this Order will be deemed dismissed with prejudice, and the case will be closed." (*Id.*)

On March 17, 2021, the Clerk of the Court mailed a copy of the Opinion to Plaintiff, and there has been no return mail or any indication that Plaintiff did not receive the Opinion. (*See* Minute Entry dated March 17, 2021.) Since that time, Plaintiff has not filed an amended complaint. Indeed, since Plaintiff has not communicated with the Court since he initially sought a Default Judgment against Defendants on December 3, 2019. Given Plaintiff's failure to amend his complaint pursuant to the direction of this Court, and his failure to communicate with the Court for approximately 18 months, the claims previously dismissed without prejudice are dismissed

with prejudice. The Clerk of Court is directed to mail a copy of this order to *pro se* Plaintiff at the address on ECF, show service on the docket, and terminate this case.
